

## Checklist for Me and My Lawyer

1. Meet Right Away Once Committal is initiated within 24 hrs as per my rights
2. Ensure of a Lawyers Presence with all conversations recorded with any member of the mental health system.
3. Ensure that all conversations are recorded. – Speak very specifically to my lawyer about paranoid schizophrenic' statements interpretations and how important it is that the conversations are recorded
4. It would be no different if I was taken under custody for a crime where all my conversations with law enforcement or any member of the system would be recorded. If the psychiatrist is giving his opinion in good faith, he should have no reason to object to any recordings.
5. It gives me an opportunity to assess my demeanor and delusion. It leaves no room for interpretation, takes any error out of the equation and serves all parties involved.
6. Hearing must be held within 14 days to ensure of medication once the petition to administer medication is filed. Solicit a 30 day continuance on that hearing so that they have an observation period of 45 days to compare to my 5 months or more of intense

psychosis especially when I am in no danger of hurting myself or others.

7. I would like to exercise my right to solicit a second opinion and expert besides one appointed by the state.

8. <http://mnprotect.com/-commitment> - Dr. Kienlen – Minnesota Threat Professionals – Has a background in stalking and domestic violence cases – Is a forensic psychologist and an expert for providing opinions on the mentally ill – Works with a team that comprises of police officers such as Randy McAllister to whom a month of videos were sent as well whose opinions can be solicited in such a rare case as mine. **He seems to have a ton of experience in domestic violence cases and may have knowledge on the use of technology in these cases that can be used to render a victims life worthless.**

9. List of Witnesses – The lawyer is free to demo my video recordings to any of the witnesses I provide and ask them if they have seen this behavior at any of the classes. If so why did they not call it in.

10. Subpoenas to have the witnesses testify on the stand – especially those from whom testimony is solicited in an examiners report.

11. Meet as many times as possible to setup the defense.

12. List of Contacts along with Phone numbers available at
