Dear Mr. Hocevar,

You may have already heard from me. A packet was delivered to you on May 14th. Enclosed herewith is the proof of delivery of what was delivered. Also Enclosed herewith is a revision to the letter that you received on May 14th asking for you to not only open an investigation but also put me under video surveillance as well as monitoring my electric fields so that more evidence can be gathered in addition to the evidence compiled within this letter that clearly portrays events that paint a compelling picture of Organized Stalking. I will also personally drop off another packet on Monday with more associated documents that hopefully compels you to get me on your calendar and open an investigation to protect my Life and my Innocent Children.

Thanking You,

Smeeta Antony simi_27@yahoo.com (952) 403-9283(R) (952) 239-9643 (C)

Enclosed herewith is a letter that describes the events transpired in my life over the last 6 years. I also intend to drop off a packet for your office on Monday Morning containing all Police Reports, my responses along with other associated documents referenced in this letter.

I hope after you have had a chance to review the packet that I can get on your calendar and that you will feel compelled to open an investigation after review of evidence.

Thanks
