Appointments in Store Best Buy Geek Squad – Never tried to keep up with this table – I am sure the store has a full log

No	Date Met	Reason for Meeting
1	12/20/2016	Spent an entire hr at Best Buy – trying to upload cell phone recordings off my cell phone. Purchased an LG Tribute5 in October of 2016. Uploading call recordings should be simple as a simple copy off my cell phone. I had to go thru inserting an SD card in my cell phone, converting the amr files to wav files on my cell phone so that I can copy the files over to the laptop.
