I wish Tiara well and hope she does well in her 9th std boards

I will need something as I have stated in my emails prior,

I need your statements of your observations of me in 2011, 2012 and 2014.

I need for you both to think back and write up your statements as I will need it to present it at court hearings.

I will also need for you both to attest to your statements in a sworn affidavit to present it at court.

Please let me know if that is doable or not and ensure of it in writing.

I wish u all well

Hi Simi

How are you doing? Sweeta and I will not be traveling anywhere this summer vacation as Tiara at this moment is appearing for her 9th standard final exams. Further to this she will be using the vacation preparing for her Boards.

It will not be possible for either of us to travel anywhere till April 2018. Would have loved to spend some time with you but as you know ICSE is a really tough board with large portions to study.

Mom and Dad will be with you soon .

Take care of yourself

Love

Shai

 Shom/Shai,

Are u planning on travelling abroad with Mom and Dad so your statements can be presented to the system alongside mom and dad's statements and observations?

Your statements and observations of me over the next 6 months will be just as important to the case.

Do let me know!
