RE: Smeeta Antony
7330 Gallagher Dr
Apt 153
Edina MN 55435

To whom it may concern,

Smeeta Antony is currently a patient under my care. I have reviewed the Driver Assessment Report completed through the Courage Kenny Rehabilitation Institute on January 18th 2018, and am in agreement with the recommendation for Smeeta to have her driving privileges reinstated. Please let me know if you have any further questions.

Sincerely,

Dr. Sophia Vinogradov
