Hello,

At Smeeta's request, I would like to inform you that she has been working with Vocational Rehabilitation Services since December of 2017. During this time she has been in an active job search and despite all efforts to find employment, she has not been able to do so to date.

If you have any questions about this, feel free to contact me by phone or email.

Thank you,

Jackie Siepker, MS | Career Rehabilitation Counselor

Jackie,

I don't see a release of information in this email chain. Did u send it in another email chain?

Allison's email is Alyson.boynton@peopleincorporated.org.

She is cc'd on this email as well.

Sure, I can write an email to Allison. I just sent you a release to sign and return to enable me to do so.

I have a case manager now from People Inc. Her name is Allison.

Would that do?

I could do that, but I would still need the name to put on the release of information. If you want to send me a name, I'll send you a letter ASAP.

could u send me an email as originally discussed as oppose to a letter?

The email could state that I have worked with u since Dec of Last year and that I have worked diligently with Connie Nowitzki looking for jobs as low as \$10 an hr without any success.

Thanking You,

I would have no clue as to which judge may be assigned to the case. Could u address it simply to the Supreme Court?

Hi Smeeta,

A release would be possible for anyone you want me to release a letter to; I just need the name and I can create it and get your signature.

Jackie,

would it be a possibility to issue a letter to the judge og the supreme court? clearly a release of information wouldn't be possible ?

Hi Smeeta,

I apologize. Kim Coleman of TASKS has emailed me some dates and we've been having trouble finding dates/times that work for the both of us. Kim does have availability anytime on the 30th and I can make that work. Is there a time on that day you could come in?

Thanks,

Jackie,

This is the last email I have from u and I am anxious to get the ball rolling with Tasks Unlimited. I don't want too much of a time lag between connie nowitski and tasks unlimited.
